ECONOMIC CHAMBER
CANADA-EUROPE

The Canada-Europe Economic Chamber is a non-profit legal Canadian organization which was founded in 2016 by both the European and Canadian business community.

Reflecting the origins of The Comprehensive Economic and Trade Agreement (CETA), The Canada-Europe Economic Chamber is based in Quebec City. This free trade initiative led by the Government of Quebec in 2007 which has been approved of by the Canadian Federal Government is by far the largest and most ambitious of Canada. The Government of Canada has made CETA a priority.

Therefore, the Canada-Europe Economic Chamber intends to be a leading player when it comes to invigorating commercial trade between Canada and Europe.

A word from the President

The Canada-Europe Economic Chamber is a non-profit legal Canadian organization which was founded in 2016 by both the European and Canadian business community.

Reflecting the origins of The Comprehensive Economic and Trade Agreement, The Canada-Europe Economic Chamber is based in Quebec City. This free trade initiative led by the Canadian Federal Government is by far the largest and most ambitious of Canada.

The Canada- Europe Economic Chamber represents a link for Canadians and Europeans so that they can meet and exchange on a regular basis through high quality professional activities. Our objective is to promote economic development for the benefit of our members and partners between Canada and the European Union. These exchanges can take place of course in various forms such as economic, scientific, cultural, political, technological and sportive.

The Canada-Europe Economic Chamber is meant to be a platform, your platform where all entrepreneurs from Canada and Europe meet. I therefore invite you to become a member of our dynamic business community and to participate in our activities as well as get involved in the building of this organization, which is orientated towards a future with broad horizons.

I hope to have the pleasure of meeting you very shortly and for you to be part of our ambitious organization.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Sam Ayoub', written in a cursive style.

Sam Ayoub
President
Canada – Europe Economic Chamber

RENCONTRE AU SOMMET

CHAMONIX · FRANCE
20 au 22 février 2018

Presented by Air France, this seminary is considered to be a splendid combination of professional presentations and quality networking, will be held from February 20-22, 2018 in Chamonix, France.

The participants made up of senior Canadian and European business leaders will meet at this exceptional setting to forge strong and long lasting links during a friendly ski activity in the French Alps.

The main business experience testimony of the 2018 edition of the Summit meeting will be presented by Mr. Jonas Herry from Avalanche Skiwear. The topic to be discussed will be on the progression that this Canadian company has experienced in Europe along with the opportunities that CETA has to offer in the future.

Chamonix – Mont-Blanc

Ski station branded: “Mont-Blanc Natural Resort”, Chamonix –Mont Blanc is a mythical destination! Everything is part of the legend here. Look up! You are at the center of this myth right at the foot of Mont – Blanc, within the range of absolute happiness.

No need to be a champion to take place in this legend, between skiing for pleasure and extreme sliding in Chamonix, you will be able to take advantage of more city like and festive like activities in an animated downtown day and night.

At the sight of multiple reliefs that tower over the valley, the Chamonix Ski estate allows you to discover and alternate all the pleasures of sliding. Ski runs, snowboard, telemark, freeride, freestyle, snow park, speed riding, ski to discover, unforgettable back country skiing.

Whether you are a beginner or an expert, the quality of the equipment and natural sites will likely give you strong sensations when it comes to Mont-Blanc

Even if winter sports are the flagship activity of the Chamonix Valley-Mont Blanc, a real cultural mix exists in the Chamonix Valley. The proximity of Switzerland and Italy is nothing new to this phenomenon. During the season, numerous nationalities present at the Chamonix station give a stunning cosmopolitan aspect and a rare richness to the Mont-Blanc Valley.

The international renown skiable estates (Les Grands Montets, le Brévet, la Flégère) inescapable tourist sites (L’Aiguille du Midi, la Vallée Blanche, le Tramway du Mont Blanc...) Welcome to the Chamonix Station stamped “Mont –Blanc Natural Resort “
